

**Local and Universal**  
*A Free Church Account of Ecclesial Catholicity*

February 6, 2024 | \$40, 304 pages, paperback | 978-1-5140-0671-9

How might we reclaim the universality of the church without losing its local situatedness? In this SCDS volume, C. Ryan Fields juxtaposes the Free Church tradition with its Episcopal counterpart, arguing that the Free Church tradition can helpfully inform our understanding of the one body of Christ while remaining true to its local roots.

## Studies in Christian Doctrine and Scripture

Studies in Christian Doctrine and Scripture, edited by Daniel J. Treier and Kevin J. Vanhoozer, promotes evangelical contributions to systematic theology, seeking fresh understanding of Christian doctrine through creatively faithful engagement with Scripture in dialogue with church tradition.

Volumes in SCDS explore the synergy between Scripture and contemporary issues, rooted in the classic evangelical commitment to Scripture as well as the perpetual need to contextualize with creative fidelity. Likewise, these volumes promote historically informed engagements with the crucial themes of classic dogmatics and contemporary systematic theology in order to promote scholarship that is theologically competent and biblically literate.

This series promotes evangelical contributions to Christian doctrine by reflecting different approaches, appealing to biblical theology, history of interpretation, theological interpretation of Scripture, and more. Some volumes engage in detailed exegesis while others appropriate broader biblical themes and patterns with the ultimate goal of promoting the constructive engagement between Scripture and Christian theology.

In addition to this new release, *Local and Universal*, titles in Studies in Christian Doctrine and Scripture include:

**The Trinity in the Book of Revelation: Seeing Father, Son, and Holy Spirit in John's Apocalypse**  
 by Brandon D. Smith  
 December 27, 2022 | \$35, 248 pages, paperback | 978-1-5140-0418-0

With its vivid imagery and rich prophetic language, the book of Revelation confronts and confuses readers perhaps more than any other Biblical book. Brandon Smith brings clarity by reading Revelation primarily as John's faithful vision of the triune God, and in doing so, helps us better worship the one who is Father, Son, and Holy Spirit.

**The Paradox of Sonship: Christology in the Epistle to the Hebrews** by R. B. Jamieson  
 May 25, 2021 | \$30, 216 pages, paperback | 978-0-8308-4886-7

What does the epistle to the Hebrews mean when it calls Jesus "Son"? Exploring the paradox of this key term, R. B. Jamieson argues that, according to Hebrews, "Son" names both who Jesus is eternally and what he becomes at the climax of his incarnate, saving mission. This volume thereby offers a case study showing how the church's core convictions about Christ lead us not away from the text but deeper into it.

*A Free Church Account of Ecclesial Catholicity*

February 6, 2024 | \$40, 304 pages, paperback | 978-1-5140-0671-9

How might we reclaim the universality of the church without losing its local situatedness? In this SCDS volume, C. Ryan Fields juxtaposes the Free Church tradition with its Episcopal counterpart, arguing that the Free Church tradition can helpfully inform our understanding of the one body of Christ while remaining true to its local roots.

**Seeing by the Light: Illumination in Augustine's and Barth's Readings of John** by Ike Miller  
 May 5, 2020 | \$35, 248 pages, paperback | 978-0-8308-4885-0

How can we understand God's revelation to us? Exploring both Augustine's and Karl Barth's readings of the Johannine literature, Ike Miller casts a broader vision of divine illumination, arguing for a fully Trinitarian view of illumination that forms not just our intellect but also appeals to the affections and encourages our ethical action.

 December 31, 2019 | \$45, 352 pages, paperback | 978-0-8308-4884-3

How do we know God? Can we know God as he is in himself? Theologians have argued for the role of natural and supernatural revelation, while others have argued that we know God only on the basis of the incarnation. In this SCDS volume, Steven J. Duby casts a vision for integrating natural theology, the incarnation, and metaphysics in a Christian description of God in himself.

**The Lord Is Good: Seeking the God of the Psalter** by Christopher R. J. Holmes  
 January 30, 2018 | \$27, 224 pages, paperback | 978-0-8308-4883-6

The good that God *does*—and that God calls us to *do*—is anchored in the fullness of good that God *is*. In this SCDS volume, Christopher R. J. Holmes explores the divine attribute of God's goodness by offering a theological interpretation of the Psalter and engaging with the church's rich theological tradition, especially Augustine and Aquinas.

**Political Church: The Local Assembly as Embassy of Christ's Rule** by Jonathan Leeman  
 April 1, 2016 | \$45, 407 pages, paperback | 978-0-8308-4880-5

What is the nature of the church as an institution? What are the limits of the church's political reach? Drawing on covenant theology and the "new institutionalism" in political science, Jonathan Leeman critiques political liberalism and explores how the biblical canon informs an account of the local church as an embassy of Christ's kingdom.

**Theology and the Mirror of Scripture: A Mere Evangelical Account**  
 by Kevin J. Vanhoozer and Daniel J. Treier  
 December 9, 2015 | \$30, 301 pages, paperback | 978-0-8308-4076-2

In this inaugural volume in the Studies in Christian Doctrine and Scripture, Kevin J. Vanhoozer and Daniel J. Treier set forth a programmatic proposal for evangelical theology, rooted in the claim that the church's vocation is to mirror the witness of Scripture in its doctrine and discipleship.
