

For Immediate Release

InterVarsity Press Acquires Tyndale New Testament Commentaries

Westmont, IL--InterVarsity Press has acquired North American rights to the Tyndale New Testament Commentaries previously published by Wm. B. Eerdmans Publishing Company. These books will join the Tyndale Old Testament Commentaries currently published by InterVarsity Press, thus offering customers access to the popular series from one publishing company. The series will be available through InterVarsity Press beginning February 2007.

InterVarsity Press's solid standing within the academic community make it a natural fit to carry the series referred to by *Christianity Today* as "remarkable." Publisher Bob Fryling states, "InterVarsity Press is extremely delighted to now publish the complete Tyndale NT Series. This series has a sterling reputation and will continue to be a prime resource for pastors and students of the Bible for years to come."

The books will be available in a trade paper format, and can be purchased as a set or individually. They make an excellent choice for beginning students, experienced pastors and those who wish to learn more about the New Testament.

"As a bookseller for more than 13 years, the Tyndale commentary series was my top-of-the-mind choice when recommending a set that combined accessibility with faithful scholarship in volumes covering the entire canon of scripture," Jeff Crosby, director of sales and marketing, said. "We are delighted to now offer not only the Old Testament series but also the New Testament portions through our publishing program."

As an extension of InterVarsity Christian Fellowship/USA, InterVarsity Press serves those in the university, the church and the world by publishing resources that equip and encourage people to follow Jesus as Savior and Lord in all of life.
