

ONLINE RESOURCES FOR *THE CONTESTED PUBLIC SQUARE*

PLEASE NOTE THAT ENGLISH TRANSLATIONS found online tend to be much older than those available in printed books; they generally date back almost a century, if not more. For this reason, online versions of works originally written in languages other than English are typically more difficult to read than printed versions (because the English use is outdated), and also tend to be less accurate (because they lack the advantage of an additional century of scholarship).

CHAPTER 1: WELCOME BACK TO BABYLON

The Holy Bible, English Standard Version.

<http://www.biblegateway.com/>

Church at Smyrna, *Martyrdom of Polycarp*, trans. Alexander Roberts and James Donaldson, rev. A. Cleveland Coxe.

<http://www.ccel.org/ccel/schaff/anf01.toc.html>
