

Liturgical Index of Hymns: For the
Propers in *The 1662 Book of Common
Prayer: International Edition*

THIS table will, when complete, offer hymns for all of the readings assigned to Sundays and other holy days in the 1662 Book of Common Prayer. Suggestive rather than exhaustive, this index indicates one hymn that is suitable for each of the Prayer Book propers — the proper lessons for Morning and Evening Prayer, and the epistles and gospels for the Communion service. This index was compiled for use with *The 1662 Book of Common Prayer: International Edition*, published by Intervarsity Press. If you have suggestions, please write to the editors.

Note that the following abbreviations are used: MP = Morning Prayer; HC = Holy Communion; EP = Evening Prayer; and CO = Communion.
