What Is Apprentice?

- A 34-session study.
- A small-group experience involving discussion, sharing, and encouragement during weekly 90-minute gatherings.
- A practical process for bringing healthy change to our lives.
- A closer look at the God Jesus revealed.
- A chance to learn more about the stories, or narratives, that guide our actions.
- An opportunity to practice soul-training exercises such as sleeping enough, slowing down, memorizing Scripture, and observing a Sabbath.
- A gracious experience that will draw you closer to God and others.

The Apprentice Experience

The Apprentice series follows a simple process for bringing about transformation in our lives.

- It contrasts the God Jesus revealed with commonly held beliefs about God.
- It explores how our beliefs about God, ourselves, and our world shape our lives.
- It encourages soul-training practices to help participants experience God’s love and provision.
- It nurtures accountability and support in a small-group setting.

Apprentice Results

As our understanding of God is strengthened and healed through spiritual practices, we more naturally live the life Jesus described in the Sermon on the Mount.

Commitment to Change

The Apprentice process leads to amazing results, but it requires a high level of commitment to do so. Participants are asked to:

- Set aside sufficient time each week for reading the assigned chapter and performing the soul-training exercise.
- Miss no more than five of the 34 sessions.
- Participate in three retreats.

While this may sound like a lot to ask, there is good reason. Combined, these commitments build trust and community within the group, create space to encounter God outside of our routines, and help reshape routines to open us up to God’s loving presence and provision.

Should You Join Apprentice?

Apprentice is not a study for the spiritual elite—it is for anyone who wants to follow Jesus more closely and grow in living the life he promised.

To decide whether you should take Apprentice, begin by looking at the commitments required. Honestly evaluate what changes you would have to make in your life to honor them.

Prayerfully consider if Jesus is calling you to be his life long Apprentice.

If You Are Interested

If you would like to join us in this focused, rewarding study, begin by writing a one-page reflection answering two questions:

- What do you hope to gain from this?
- What do you hope to give back to those in the experience?

Please submit your reflections to the group leader by

The Apprentice Series is a small-group experience, so groups will be limited to twelve participants.
