8. What does God promise to those who feel weary and without strength (vv. 28-31)?

══════ **RESPOND** ══════

- * In what areas of your life do you especially need to admit that God knows and understands more than you do?

- * Consider aspects or times in your life in which you feel weary and powerless. How can the truths of this Scripture passage refresh and strengthen you?

══════ **PRAY** ══════

As you pray, express trust in the Lord. Thank him for loving you and sending his Son for you, no matter how weak or insignificant you may feel. Thank him for renewing you with his strength.

══════ **NEXT STEPS** ══════

This week, make a conscious effort to watch for evidence of the Creator in the natural world he has made. You can do this whether you live in an urban, suburban, or rural area. Make notes of what you notice and what your observations show you about God.
