Buy and stock your 48-Title Bible Study Center according to the charts inside. You will also receive removable rack labels with your update order. Rack labels should be placed on the plastic tab facing out below each study on the rack.

### 2. Inventory

Check your 48-Title Bible Study Center regularly to keep stock from running low. After you fill empty pockets from your stockroom, record final counts for each title in the "on hand" spaces on this flyer.

### 3. Reorder

By comparing your current stock with the suggested stock levels noted for each title, you'll know just what to reorder—and how many! Simply write the number of copies of each title you need next to the blanks marked "send," provide the customer information and shipping information requested on the back page, and then return this flyer to InterVarsity Press. If you need more rack labels or another rack and update sheet you can reorder by calling 1.800.843.9487, option 1.
