**Alister McGrath** (DPhil, DD, Oxford University) is the Andreas Idreos Professor of Science and Religion at Oxford University. He previously held the chair of theology, ministry and education and was head of the Centre for Theology, Religion & Culture at King's College, London. He is in constant demand as a speaker at conferences throughout the world and is the author of many books including *I Believe*, *The Dawkins Delusion?* and *Christianity's Dangerous Idea*.

## New Inductive Bible Study from Alister McGrath

Since the publication of the first LifeGuide® Bible Study (LBS), *Genesis*, in 1985, InterVarsity Press has been striving to create accessible Bible studies for individuals and groups.

In 1982, InterVarsity Christian Fellowship staff member Jack Kuhatschek and IVP editors Andy Le Peau and Jim Hoover conceptualized what became LifeBuilder Bible Studies (soon renamed LifeGuide® Bible Studies). The idea was to produce a quality series of Bible study guides that would be relevant and inductive and appeal to both Christian students and laypeople in churches. The first seven studies were published in 1985, with a plan to have an LBS for almost every book of the Bible as well as numerous topical studies.

“Over ten million LifeGuide® Bible Studies have been distributed around the world since InterVarsity Press first started publishing them in 1985,” says Cindy Bunch, editorial director and LBS series editor. “They are designed to create conversation around Scripture passages. The discussion format is easy to lead, and the focus on a single chapter of Scripture allows everyone to enter the conversation, even those with little prior knowledge about the Bible. LifeGuide® Bible Studies create a context for God’s Word to speak into our lives today.”

Editors and authors include the late John Stott, J. I. Packer, Jack Kuhatschek, Dale and Sandy Larsen, Rebecca Pippert, Patty Pell, James Sire, Paul Borthwick and many others. With over one hundred titles currently in print, IVP has accomplished its original goal to cover the Old and New Testaments, Bible characters and major Christian themes.

This most recent LifeGuide, *Apostles' Creed*, is based on Alister McGrath’s book *I Believe*. McGrath introduces us to the essential truths about God the Father, the person and work of Jesus Christ, and the Holy Spirit. Christians trust in God and the basics of our faith have remained the same for centuries. These truths are summarized in historic church documents known as creeds. The Apostles’ Creed is an ideal starting point for the vital process of consolidating our grasp of the faith.

The six studies in *Apostle's Creed* are

1. I Believe (Genesis 12:1-8; 15:1-6)
2. God the Father (Isaiah 40:21-31)
3. God the Son: His Identity and Birth (Philippians 2:5-11)
4. God the Son: His Death and Resurrection (1 Corinthians 15:1-28)
5. God the Son: His Present Activity and Future Role; God the Holy Spirit (Colossians 1:15-20; 1 Corinthians 12:1-11)
6. The Church, Forgiveness and Eternal Life (Ephesians 4:1-13)
