Jesus’ pattern of disciple-making was to be intimately involved with others and allow life to rub against life. By gathering in twos or threes to study the Bible and encourage one another, we most closely follow Jesus’ example with the twelve disciples.

This workbook by Greg Ogden is a tool designed to help you follow this pattern Jesus drew for us. Each week contains a core truth, a memory verse, an inductive Bible study, a reading on the theme for the week, and questions to draw out key principles in the reading.

This expanded and completely updated edition includes a new guide for leaders. Discipleship Essentials is designed to help us influence others as Jesus did—by investing in a few.

GREG OGDEN lives out his passion of speaking, teaching, and writing about the disciple-making mission of the church after spending twenty-four years in pastoral ministry. Greg is also the author of Essential Guide to Becoming a Disciple, Transforming Discipleship, Leadership Essentials (with coauthor Daniel Meyer), and The Essential Commandment.
