BIBLE STUDIES

Some chose to follow God. Others followed only fame and fortune. They lived through times of difficulty and times of triumph, through political and emotional turmoil, through popularity and through discontent.

This nine-session LifeGuide Bible study focuses on the character of the kings of the Old Testament and what we can learn from them.

For over three decades LifeGuide Bible Studies have provided solid biblical content and raised thought-provoking questions—making for a one-of-a-kind Bible study experience for individuals and groups. This series has more than 130 titles on Old and New Testament books, character studies, and topical studies.

CAROLYN NYSTROM (MA, Wheaton College) has written more than eighty books, Bible study guides, and children's titles. She coauthored *Praying* with theologian J. I.
